An adjourned meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date, in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

Present: Commissioners Brennan, Gillen, Howe, Raymond, Mayor Breidenbach

The minutes of meeting of June 27th and July 5th were read and approved.

Mayor Breidenbach: Is there any citizen desiring to be heard on any matter?

Mr. G. F. Cannif, 24 William Street, presented the following Petition:

We, the undersigned, property owners on Chancellor Avenue, between Clinton Place and the Irvington Line, hereby petition the Honorable Commissioners of the City of Newark, N. J., and the Zoning Commission of said City, the privilege of using the Chancellor Avenue frontage for business purposes between the points indicated.

This is to be an improved thoroughfare and the nearest stores at the present time are Lyons Avenue or Bergen Street, and these business centers would be more than a mile distant from many of the contemplated homes in this section. No building less than two stories. No manufacturing.

(Signed by Thirteen property owners, representing 3693 feet).

Mr. Cannif: I appeared before the Zoning Commission and they told me I should get a petition and have it signed by the property owners on Chancellor Avenue, between Clinton Place and the Irvington Line. The people I have on that petition represent 70 per cent. of the property owners on Chancellor Avenue. At the present time the Zoning Commission have it in the residential section. All the

names on that petition are people living on the street.

Commissioner Howe moved that the matter be referred to Commissioner Raymond.

Newark, N. J., July 17, 1922.

A regular meeting of the Board of Commissioners of the City of Newark, N. J., was held on the above date in the Commissioners' Chamber, City Hall, Newark, at 11 A. M.

To the Honorable
Commissioners of the
City of Newark.

Gentlemen:—

Present: Commissioners Brennan, Gillen, Howe, Mayor Breidenbach.

Absent: Commissioner Raymond.

The minutes of the meeting of July 11th were read and approved.

The following reports of the Commissioners of Assessments for Local Improvements assessing benefits on the following street improvements were received and ordered filed:

Paving and repaving of Stuyvesant Avenue from South Orange Avenue to the Irvington Line;

Construction of a sewer in Chancellor Avenue from the Irvington Town Line for a distance of about 1,550 feet easterly;

Construction of a sewer in Oakland Terrace and Cameron Road from the terminus of the present sewer in Oakland Terrace north of Cameron Road to the intersection of a proposed street with Oakland Terrace about 300 feet south of Cameron Road.

Mayor Breidenbach: Is there any citizen desiring to be heard by the Board on any matter?

Mr. George A. Ohl, Jr., owner of property at 159 to 165 Washington Avenue, appeared before the Board

Understanding that your Honorable Body have passed a resolution authorizing the purchase of property on the northeast corner of Romaine Place and Washington Avenue, we as property owners and residents of that vicinity respectfully ask you to defer any further work on that project as we believe that the erection of a police station on that plot would be a great detriment to the neighborhood and would be the means of reducing the value of the residence property in the vicinity and further that there is other property on the block or two north of the present location that would answer just as well and for less money.

Hoping that you will take into consideration our protest, we herewith sign our names:

Signed by GEORGE A. OHL, JR.,
and 16 other property owners.

Commissioner Brennan moved that the petition be referred to the Director of Parks and Public Property.
